

## Schmitt, Karandjeff Chosen For Civic Award

Service, Leadership  
Here For Many Years  
Cited; Dinner In April

Edwin G. Schmitt and Henry D. Karandjeff have been chosen as winners of the Associated Retailers 1960 Civic Achievement Award in recognition of unusually active and effective community leadership. It was announced today by A. William Morris, III, award committee chairman.

Karandjeff, chairman of the board of the Granite City Trust and Savings Bank and American National Bank of Granite City, and Schmitt, service area manager of the Illinois Power Co. for the Quad-Cities, Wood River, Edwardsville and Collinsville, will be honored at the 12th annual award dinner on April 26 at Granite City High School.

Records of both were regarded as so outstanding that the committee was unable to choose between them and decided to present two individual awards. Morris said. He added that accomplishments during 1960 and in previous years were considered.

On Planning, Park Commissioners Chairman of the Granite City Park Commission since its inception, Schmitt also was active in the past year as a member of the Granite City War Memorial Committee, which this year will build a lighted fountain memorial; member of the Citizens' Master Sewer and Drainage Committee, which aided in advancing Granite City drainage plans and helped obtain a \$120,000 federal grant for drainage and pollution abatement studies; and member of a Chamber of Commerce committee instrumental in obtaining approval for a new Granite City post office, to be built this year.

Karandjeff, as chairman of the Horseshoe Lake State Park Commission, led efforts to obtain a \$100,000 advance and an additional \$300,000 in appropriations for initial development of a 1,700-acre recreational area here. Active for years as volunteer Madison county U. S. savings bond chairman, he is a recipient of the Department of the Army certificate of appreciation, YMCA board chairman and board member and treasurer of the Tri-City Regional Port district, which is preparing to launch a port and area development program this year.

While records of the two award winners are dissimilar in many respects, Morris said committee members noted an identical pattern dedicated civic service continuing over a long period of time in capacities other than salaried or elective. Although their business careers also have aided development of the local community, voluntary activities were given primary emphasis in evaluating nominees, he explained.

**Park Treasurer Many Years**  
Treasurer of the Granite City park district at \$1 a year for many years, Karandjeff also was treasurer of the Tri-City Regional Port district, a position of honor and trust, and is past president of the Tri-Cities Chamber of Commerce, Community Chest, Red Cross and Noonday Optimist club. Former chairman of the Coordinated Youth Services, he was among those primarily responsible for initiating this program. President of the Sunset Hill Trust Estate, Karandjeff has (Continued on Page 11, Col. 1)

## Civic League Hears Assessor And Supervisor Candidates

Township supervisor and assessor candidates were given top billing at Thursday night's meeting of the Granite City Civic League in the YMCA auditorium.

An audience of about 30 persons heard talks by three assessor candidates, four supervisor candidates, and a city clerk.

**Judge May Rule Today On Legality Of GC Ballot**

A ruling on legality of the city-township ballot for Granite City's April 4 election is expected to be handed down this afternoon by City Judge Fred P. Schuman.

Arrangement of candidates on the ballots and the placing of lines for write-in candidates under the names of Citizens' League Executive Administration Party candidates were questioned in a complaint filed last week, and brief hearing was conducted Friday afternoon before Judge Schuman.

City Atty. William Beatty stressed that state laws leave to the courts the question of the arrangement of candidates on the ballot, and he said the ballot was set up in accordance with the state laws. He also questioned the jurisdiction of the court in the matter, pointing out that the state makes no provision for the court to make such a decision in obtaining approval for a new Granite City post office, to be built this year.

**Says Ballot Is Legal**  
"However, I believe the ballot has been prepared legally and I'd rather have a decision from the court than a ruling that the case was beyond the court's jurisdiction," Beatty said.

About 20 persons were in the courtroom to hear the case. Beatty added that persons voting the CLEA Party ballot should be given an opportunity to write in a candidate's name, rather than those listed and that was the reason for the extra lines.

Representing the CLEA Party, Dr. Benjamin Spock said new experience had been written (Continued on Page 8, Col. 4)

## Fluoridation Cited As Aiding Child Health

(Fourth of a series on water fluoridation—subject of an advisory election in Granite City April 4.)

Water fluoridation has been endorsed by a leading pediatrician. Dr. Benjamin Spock, for its contributions to child health.

Regarded as one of the top specialists on medicine for children, infants and children, Dr. Spock said that "as a pediatrician interested in preventing dental caries in children, I am an enthusiastic supporter of water fluoridation."

"Enormous advances have been made in preserving children's lives and health through sanitation, inoculations and antibiotic drugs. Until recent years, little effective progress had been made in conquering 'the problem of dental decay, our most prevalent disease.'"

"Now we have at our disposal a wonderful preventive measure which does not depend on the parents' means or on their conscientiousness or on the availability of dentists, a child from conception receives water which contains one part in a million of fluoride, we know the amount of decay of the teeth which he will experience during his life will be reduced by about 60%."

**Calls Fears 'Baseless'**  
Dr. Spock comments that "fluoridation has become a con-

## Building In GC Nears \$1,000,000 For March

Second Permit To GC Steel For \$230,500 Building At North Plant

This month may become the first million-dollar construction month of the year in Granite City, as building permits total \$916,603 in value with five days to go. A second near-quarter-million-dollar permit in two weeks was obtained last week by Granite City Steel Co.

The plant last week secured a \$230,500 permit to erect an 80x120-foot structure at its North Plant on 21st street for a continuous galvanizing line.

First to speak was Frank Lakatos, assessor candidate, who said the key plan in his platform is to lower taxes for homeowners by placing more of the tax burden on industry. "They can deduct local taxes from their federal income taxes," he said.

Von Dee Cruse, incumbent assessor, pointed out he had raised the tax assessment of Granite City Steel Co. from \$19,000 to \$54,000 and that in Granite City township industry and business was paying 75% of the total tax bill. "I'd say that's a fair share. You can't overtax industry and drive it away."

Cruse urged the election of representatives to the board of supervisors—ones who will watch expenses and try to keep taxes down. "I set the value on property," he explained, "it's the taxing agencies that set the amount of taxes."

**Seeks Tax Law Revision**  
The incumbent assessor called for a revision in the state tax laws. He said that in 1959, when the law was written, property was valued by tax assessors and was supposed to be taxed, but now I would say taxes should be based on the value of the property. The third assessor candidate, James Barton, stressed that high assessments on homes tend to lower the values of the property. "A person wanting to buy a house in Granite City would probably end up buying in Nanticoke township where taxes are lower."

**Tax Spending vs. Assessments**  
Barton pointed out that while tax spendings have gone up about 65% in the last five years, assessments have climbed 100%, 200% and even 300%. He said the assessor should regulate tax spendings and keep a close watch on the city's spending.

The candidate, who outlined his business career as a tailor and a salesman, said he would appoint competent deputy assessors. (Continued on Page 11, Col. 4)

## 14 DAYS WITHOUT QUAD-CITY TRAFFIC DEATH

Home improvement permits in Granite City for the first 14 days of the year have resulted in no traffic deaths in the Quad-City area.

**Nickel Plate Credit Union Opens Building**  
An open house ceremony held yesterday afternoon and evening for the new Nickel Plate Credit Union building, Third street and McCambridge avenue, was attended by about 250 persons, who were served refreshments.

Madison City Clerk Percy Lux was the principal speaker in the absence of Mayor Stephen A. Hoffmann, who had a previous engagement.

Other speakers were Bill Williams, treasurer and manager of the Granite City Steel Employees Federal Credit Union and organizer and sponsor of the Nickel Plate Credit Union; Arthur C. Webb, founder of the Nickel Plate Credit Union; and J. P. Welsh, Terminal Railroad, and William Tarriss, field representative for the Illinois Credit Union League.

## 4 Persons Hurt In 13 Areawide Traffic Accidents

Minor Injuries Were Suffered by Four Persons in Three of 13 Accidents Reported in and Near the Quad-Cities Over the Week-End, Authorities Noted, Was Far Under the Average of 20 to 27 Which Usually Occur in the Quad-Cities on Week-Ends

Minor injuries were suffered by four persons in three of 13 accidents reported in and near the Quad-Cities over the week-end, authorities noted, was far under the average of 20 to 27 which usually occur in the Quad-Cities on week-ends.

Two persons suffered minor injuries Saturday afternoon in a three-car pileup on Madison avenue near 18th street.

Injured were Jerry Mikulicz, 21, of the YMCA, and Virgil F. Wicker, 37, of 1342 Meridian street. Mikulicz was a passenger in a car driven by Marvin H. Evans, 22, of 2672 Highway 67A.

In the accident all three vehicles were traveling north. Evans was charged with following too closely and was released upon posting his driver's license as bond.

Police said Evans crashed into the rear of Wicker's auto, knocking it into a car operated by Jane Louise Frick, 19, of St. Louis, who was driving north. Frick's car had stopped for traffic.

A minor injury to his left hand was suffered early Saturday morning by Pete Moros, 39, of Staunton, who was involved in an accident at Division street and Pontoon road.

County authorities said Moros collided with an auto driven by Paul Hayden, 31, of 6 Kaseberg lane, who was pulling another auto out of a ditch.

Minor injuries were suffered Thursday afternoon by a Webster Groves, Mo., motorist whose auto was struck on Madison avenue at 29th street. He was Lloyd Vandergriff, 53.

Police charged the other driver, William B. Dickson, 35, of 2405 Sunbury avenue, with following too closely, and he was released after posting his driver's license as bond.

The report shows both autos were traveling north. There was damage to the rear of Vandergriff's auto and to the front of Dickson's car.

## Raymond F. Zahm, 57, School Custodian, Dies

Raymond F. Zahm, 57, of 2140 State street, died at 5:40 p.m. yesterday at St. Elizabeth Hospital, where he had been a patient for five days. He had been in ill health for one week.

Employed as a custodian at Granite City high school for seven years, he was born in Venice, Italy, and was a member of the Building Service Employees International Union Local 98 and St. Joseph's Catholic Church. He was a Granite City resident for 25 years, having moved from Venice.

Surviving are his wife, Florence; three sons, Raymond F. Zahm Jr., Long Beach, Calif.; Richard Campbell, Camp Lejeune, N. C.; and Karl Campbell, Norfolk Naval Base; two daughters, Mrs. William (Barbara) Denney, St. Ann, Mo.; and Mrs. Edward (Shirley) Gibson, Chicago, Ill.; and two brothers, Floyd, Danbury, Conn., and Jerry Zahm, Madison; and three sisters, Mrs. William (Mildred) Tishman, Madison, and Mrs. William (Helen) Smith, both of Springfield, Ill.; and six grandchildren.

Funeral arrangements are given in the obituary column.

## 5 Break-Ins Occur In GC Friday; One In Courthouse

Cash, Transmission, Tires Taken From Local Garage

Cash amounting to nearly \$200 and merchandise valued at several hundred dollars were taken in a series of five break-ins discovered Saturday morning in Granite City. A break-in attempt also was reported in Granite City, and a burglary of a drive-in restaurant in the county was reported Saturday morning.

The wave of burglaries also included a garage, two service stations, a tavern, a used car lot and a planning mill office.

Hardest hit was House's Auto garage, 1749 Madison avenue, where a store glass was broken with a concrete block to gain entrance. Taken were \$88 in currency, \$20 in store goods, \$2 in nickels, four tires, a battery, an assortment of small tools, two boxes of oil pumps and transmission parts.

At the Mill Service station, 20th and Iowa street, entrance was gained through a restroom window, and Lloyd Edwards, proprietor, said about \$5 in coins was taken from the cash register.

Nearby, at the Washington tavern, 20th street and Washington avenue, Cornelio Ybarra, proprietor, said a window was smashed to enter the barroom. Taken from the cash register was about \$450 in coins. A burglar also started to carry off two cartons of soda, but left them in a hallway.

A door glass was broken to enter Draper Plumbing Mill on State street. A vault that had been left open was ransacked but nothing was taken, according to Mildred and Myrtle Draper.

Also on State street, John Starnes, a sales agent, reported by smashing a door glass. The office was ransacked, the door was pulled out of its frame, but nothing was taken.

A door glass at Granite City Motel, 1701 State street, was broken, but entrance was not gained. A door glass was smashed by breaking a rear window of the building, owned by Frank Welsh, 1705 State street.

Ernie Craft, 1820 Bremen avenue, proprietor of the Lamp Post drive-in on Highway 67A, reported that a door glass was broken by smashing a rear window. Cigarettes and pinball machines were smashed open and an undetermined amount of money stolen, and the thieves also carried away a case of soda.

**Charles Vartan, 41, Dies Unexpectedly**  
Charles Vartan, 41, of 3220 Aubrey avenue was pronounced dead on arrival at 11 p.m. Friday at St. Elizabeth Hospital, where he was taken by ambulance after being stricken with a heart attack at his home. He had not been previously ill.

Employed for the past 10 years at McDonnell Aircraft Corp., St. Louis, as an assistant electrical foreman, he was a life-long Granite City resident, and a member of Masonic Lodge 877 and the St. Gregory Armory Post 1048 of the American Legion. His wife, Isabella, two sons, Charles Jr., 11, and Kenneth, 8; a daughter, Rebecca Ann, three; a brother, Jack V. Vartan, Granite City; two sisters, Mrs. Archie (Helen) Kretzschmar, Belmont, Mass., and Miss Nevel Vartan, Granite City; and his mother, Mrs. Hannas Vartan, Granite City.

Funeral arrangements are given in today's obituary column.

(Picture on Page 2.)  
Officers for 1961-62 were elected by the Granite City Area Council of PTA Thursday evening.

The new staff will include Mrs. Kathleen Tadlock, president; Mrs. Doris Buer, vice president; Mrs. Ramona Norris, recording secretary; Ms. Lucille Caban, corresponding secretary; and Ralph Monson, treasurer.

## 3 Charges After 10-Mile Chase

Granite Cityans are being invited to enroll in a "basic civil defense" course to start tomorrow evening and continue for five weeks.

Classes, to be held at 7:30 p.m. each Tuesday, will be conducted in the newly-refurbished second floor meeting room of the former downtown fire station on 19th street between State and Grand avenue.

Civil Defense members have been working to complete the redecoration project in the large room which formerly served as the dormitory for city firemen.

CD Director George Schumacher said the 10-hour basic course is open to all Granite Cityans and a number of students are expected to attend. He said the course will be held in the community in Madison county.

**Qualified Instructors**  
Qualified members of the local CD staff, who have trained at staff colleges conducted by the Office of Civil Defense and Defense Mobilization, will serve as instructors. They include Victor H. Koenig, assistant director; Deputy Director Mrs. Valerie A. Evenden, Auxiliary Police Lt. John Becker and Auxiliary Police Lt. Howard Anderson. Koenig also will serve as course coordinator.

Schumacher said the course is (Continued on Page 11, Col. 2)

The riders were parked at the highway intersection about 4 a.m. and witnessed the accident, which they said involved a Dodge and a car driven by Howard Abbott of Collinsville.

They said the chase route was over Highway 111 to State Route 162 and west into Madison, where the warning shots were fired.

No injuries were listed in the accident.

**Undergo Surgery**  
The following are recovering at St. Elizabeth Hospital from surgery which they underwent since Thursday: William Brewer, 2550 Adams street; Louis Laune, 1000 Lee avenue; Mary Rosenkranz, 5524 Washington avenue; George Siskard, 1342 Poplar street.

**Final Training Session**  
The third and last session of the Chokoma Model Council election training course will be conducted by Robert McCall at 7:30 p.m. Wednesday in the Granite City Steel Co. foreman's cafeteria.

**Area PA Council Elects; Hears Reps. Harris, Simon**

**35000 Early Morning Fire At GC Tavern**

A fire, believed to have started in a discarded cigarette, caused \$3500 damage in a blaze discovered by patrolling police at 2 a.m. Saturday in Vance Rebeck's tavern, 1034 West 20th street.

Granite firemen, upon arriving at the scene, placed a ladder to the second floor to rescue two smokers, but they preferred to leave by the stairway. The two men were aided by firemen wearing smoke masks.

The blaze was in the barroom beneath the bar and heat melted the bar, causing water damage. Firemen said there was considerable damage to the bar, as well as to fixtures, including the bar, which probably will have to be replaced. The set loss at \$200 to the contents and \$300 to the two-story frame building.

Entrance by firemen was gained through a door to the back of the building, past the rear hallway. Firemen said the door to the tavern was not locked.

## Fluoridation Foe To Speak Here Thursday

A public meeting at which an anti-fluoridation talk will be given has been planned for 7:30 p.m. Thursday, March 30, in the Granite City high school auditorium, Donald Sparks, who arranged for the meeting, has announced.

Speaker will be Louis L. Hicks, Clayton, Mo. Sparks said he attempted to obtain a representative of the Tri-Cities Dental Society to debate or give a separate talk, but the society has decided against participating. He said that Hicks was obtained because Sparks could find no dentist opposed to fluoridation.

An advisory vote on fluoridation of the local water supply will take place at the city-town election in Granite City April 4.

A Dental Society spokesman said local dentists are giving talks on fluoridation before Granite City organizations and are willing to schedule additional talks. He added that the society will not take part Thursday because it believes the meeting is being promoted primarily in the hope of defeating fluoridation. Sparks said the original intention was to air conflicting views, but that the meeting will proceed with only the opposition address.

## Venice Group Chooses 'Good Neighbors' Name

A Venice improvement group formed this spring called at its name "The Good Neighbors" at a meeting Sunday afternoon at the Venice school. Election of officers was postponed to the next meeting May 7, when committees are to report.

All block groups organized so far were represented. Additional block meetings are planned, and studies have been started on land use, a home survey, federal housing conditions and fire insurance.

## Accident Verdict In Fatal Venice Shooting

A coroner's jury Friday night returned a verdict of accidental death in the fatal shooting of Ulysses Foster, 34, of 1022 Douglas street, Venice, March 18.

Deputy Coroner Henry Pieper conducted the inquest and testimony was given by Mrs. Alberta Patterson, 43, of 1000 Logan street. The shooting took place in Foster's apartment on March 11, and she was fined \$20 by Police Magistrate Wesley Edwards Saturday on carrying a concealed pistol.

Foster died at St. Elizabeth Hospital a week after he had undergone surgery for a bullet wound in the abdomen. His death was caused by failure of kidney function resulting from the wound, a physician's statement disclosed.

Mrs. Patterson testified that she had gone to the apartment to visit Miss Bernice Casson and her father, Robert Casson, who had been residing with Foster when Venice police officers arrived. She said she was discharged in a struggle between her and Foster, who had been attempting to take the gun away from her.

The incident took place in the kitchen and Casson had been in the bedroom. He and his daughter were attempting to aid Foster when Venice police officers arrived. Patrolman Morris Scott said.

Scott testified that Foster had described the shooting as "accidental" while being questioned at the hospital the next day. Scott said the gun was found behind a bed in the apartment.

Mrs. Patterson was taken into custody following the incident and released on \$3500 bond. A charge of assault with a deadly weapon is being withdrawn.

Five Charges Filed

Venice police filed five charges against Willie Howell, 47 Lee Wright Homes, after catching up with him at Elsie street and County road Saturday. They alleged that he had left the Placis tavern, Sell and Logan streets after they had been summoned due to disturbance. He took for disturbance, speeding passing a stop sign, no state auto license and no driver's license, he was released on a property bond until next Saturday.

Wood Fire

A wood fire in the 2500 block of Hodges avenue was extinguished Saturday afternoon by Granite City firemen. No loss was reported.

## Survey Under Way On Need For New SA Building Here

A representative of a Kansas City, Mo., fund-raising firm met Thursday afternoon with the Salvation Army advisory board to discuss feasibility of conducting a survey for a drive here to raise funds for construction of a new Salvation Army building.

Pat Mildred Walker, officer-in-charge, said.

Ralph Little of the Burrill Corp. told the board, that between \$175,000 and \$200,000 would be needed to build a structure to house all the army's activities under one roof.

A Little said prospects of carrying out a successful fund campaign appear to be good with the predicted upswing of the economy and general public favor here toward the Salvation Army program. Little will return in late April for another meeting.

Little's firm, which has conducted similar drives for other army organizations, has been successful in 96% of its campaigns. The company would handle 8% of total collections.

An agency of the United Fund, the Salvation Army is seeking a separate campaign which would not conflict with the U.F. drive, Capt. Walker explained. She added that the drive should not alter chances of a successful U.F. campaign.

Capt. Walker had obtained permission from the U.F. in a meeting early this month to proceed with plans for a survey.

In speaking before the U.F. board of directors, she gave a preliminary estimate of \$25,000 for cost of the new building, excluding money which would be received from the sale of the army's presently owned property.

Her estimate was revised sharply upward by Little in his talks before the Salvation Army board. Little felt the \$125,000 figure was far too conservative.

The revised estimate also does not take into consideration sale of present property. Real estate evaluation indicates the sale would produce between \$22,500 to \$25,000 and would offset the cost of acquiring a new site.

The army now maintains three separate quarters, and owns two of them. A rented building on State street is used for recreational purposes, meeting quarters for teenage and Sunday school groups, and is used to store and wrap Christmas baskets for the needy.

Office and worship facilities are in the army-owned buildings at 19th street and Grand avenue. Combined operating costs are high and would be somewhat reduced in a single building, Capt. Walker said, as one of the reasons a new structure is needed. She also cited better coordination of the group's activities.

The army's purpose is threefold. It provides religious and educational service, sponsors youth programs and is highly active in welfare participation.

Its 1960 expenditure was \$25,794. A total of \$17,241 came from a U.F. grant and the remainder from individual contributions, including the Tree of Lights at Christmas time.

## Bogus Gas Meter 'Inspectors' In Area

Homeowners are urged to be cautious of fast-talking two-man teams of "gas meter inspectors" who have swindled residents recently in the St. Louis area.

The "inspectors" gain admission to a home on the pretext of checking the gas meter for leaks. Their usual trick is to spread lighter fluid near the meter and ignite it. Then the home owner is shown this evidence of the "leak."

The swindlers tell the home owner he or she must put a cash bond to insure gas service until the leak is repaired. Usually they offer to accompany the home owner to a bank to obtain the funds.

About 12 such swindle attempts have been made in recent months in the area. Recently an elderly woman in a southern city parted with \$4000 to a pair of "inspectors."

Illinois Power Co. officials say that under no circumstances do their gas troubleshooters collect money on gas leak calls. They advise that "gas meter inspectors" who request money should be reported to the police.

## Venice Man Found Wounded Fatally At Home

Harry Deacon, 68, of 511 Washington avenue, Venice, died at 11:45 p.m. Thursday at his home of a self-inflicted gunshot wound, a coroner's jury ruled Friday afternoon at an inquest conducted by Deputy Coroner Francis Lahey.

His wife, Mrs. Mattie Deacon, testified she was in another room when the shot was fired. She said her husband had been in ill health for some time and had grown despondent.

Lahey told the jury he arrived at the scene shortly after being summoned by Mrs. Deacon. A neighbor, Robert Douglas, accompanied Lahey, he said.

Mr. Deacon was found seated in a chair, with a .32-caliber pistol lying at his feet, and his head was resting on a bedroom dresser, Lahey said. Powder burns were found on the right temple.

A lifelong resident of Venice, he was a retired switchman for the Gulf, Mobile & Ohio Railroad and had worked for the company for 49 years prior to 1938.

Surviving besides his wife are two sons, John of Venice and Lee Deacon of St. Louis; and two sisters, Mrs. Clara Warfield and Mrs. Alice Luckert, both of Granite City.

Funeral services were held at 10 a.m. Saturday in St. Louis. An obituary notice is given elsewhere in this issue.

## Pocahontas Is Granted I-C Franchise For '61 Season; League Scheduling Complete

The list of teams which will participate in the Southwestern Illinois Inter-City Baseball League was completed Saturday night in East St. Louis as the Pocahontas Indians requested and were granted entrance into the 10-team league for the 1961 season.

The Indians, who will be managed by former minor league player Jim Brown, replace the Highland VFW club, which withdrew from the league this month due to lack of financial backing.

The Pocahontas franchise was granted during a meeting of I-C officials, held at the McAteer Glass Co. in East St. Louis. League Secretary Henry Huser of Troy then announced the line-up of games for the beginning of the league's 21st season on Sunday, April 23.

**Opening Day Schedule**  
President's Cup winner, Mercer Funeral Home of Granite City, will travel to Edwardsville to engage the Boosters at Fletcher Field, Granite City. Sacred Heart will host Carpenter at Wilson Park, White City will visit Moonlight Field in Troy to play the Redbirds. McAteer Glass will be at Maryville and Pocahontas will meet East St.

**THE MAN OF THE WEEK**  
Local winners in the male divisions were Don Lambert, intermediate champion, and Bill Richards, first-place winner in the third degree brown belt competition.

In women's competition, which was closed to the public, two members of the Granite City Judo Club finished 1-2. They were Miss Claudia Beamer, first place, and Miss Dorothy Douglas, runner-up.

Trophies also went to the second-place finishers in each division. The tournament was sanctioned by the AAU and supervised by the Chicago Yacht Club, which is expected to make recommendations for individual promotions to higher ranks when its next meets in Chicago on April 9.

An informal clinic was held in the local club scheduled at the club room during the tournament. Conducted by Tom Watson of Chicago, former national champion and holder of a fifth-degree black belt ranking, the clinic featured demonstrations of correct judo holds and throws, and discussions of proper technique.

The division championship bout results:  
Junior - Junior division (under 12 years of age) - James Ogata (Chicago dojo) defeated Ernest Watanabe (Chicago dojo).  
Intermediate division (12-17) - Don Lambert (Granite City Judo Club) defeated Larry Levin (Chicago dojo).  
White belt division - Roy White (East Side Gym, St. Louis) defeated Jack Patty (St. Louis dojo).  
Brown belt division, third degree - Bill Ridings (Granite City Judo Club) defeated Mark Robinson (Granite City Judo Club).  
Brown belt division, first and

Louis Moose Lodge No. 4 at Jones Park.  
The new entry will play its home games at Legion Park, located two blocks south of U. S. Route 40 in Pocahontas.

Team managers heard baseball contract offers Saturday night and then voted to adopt the Economy No. 1 baseball as the league's official ball for the 1961 season. The baseball contract was awarded to Economy Sporting Good Co. of St. Charles, Mo.

**Two Divisions**  
The league again will be split into two five-team divisions in 1961, with the second and third-place trophies to be awarded in each division at the end of the regular campaign.

The President Vernon Lucas trophy will be awarded to the post-season playoff series winners, and the new Carl Wallen Memorial Trophy will go to the league batting champion in addition to the batting trophy regularly awarded by the league itself.

The final meeting of league officials prior to the opening of the season is set for 8 p.m. Friday, April 21, at Hartman's Moonlight, two miles west of Troy.

**Two Local Winners In Judo Meet Saturday**  
An overflow crowd attended the Granite City Judo Club's annual invitation meet Saturday night in the YMCA gymnasium here, where two top "judoka" carried off the first-place trophies in their respective divisions.

Six first-place trophies were awarded to the top contestants, who advanced to the finals from an original field of 122 participants. The number of contestants and the size of the crowds watching the action were both records for the three years in which the meet has been staged here.

Local winners in the male divisions were Don Lambert, intermediate champion, and Bill Richards, first-place winner in the third degree brown belt competition.

In women's competition, which was closed to the public, two members of the Granite City Judo Club finished 1-2. They were Miss Claudia Beamer, first place, and Miss Dorothy Douglas, runner-up.

Trophies also went to the second-place finishers in each division. The tournament was sanctioned by the AAU and supervised by the Chicago Yacht Club, which is expected to make recommendations for individual promotions to higher ranks when its next meets in Chicago on April 9.

An informal clinic was held in the local club scheduled at the club room during the tournament. Conducted by Tom Watson of Chicago, former national champion and holder of a fifth-degree black belt ranking, the clinic featured demonstrations of correct judo holds and throws, and discussions of proper technique.

**BATTING PRACTICE** for members of Madison high school's baseball squad has been strictly limited this spring by lack of cooperation from the weathermen. Here the Trojans take advantage of a temporary break in the wintry weather for an outdoor session in preparation for the season's opener at MHS tomorrow against Assumption high school of East St. Louis. Game time is 4 p.m.

**MHS Meets Assumption In Opening Game Tuesday**  
Weather permitting, Madison high school's varsity baseball squad will take to the diamond at MHS tomorrow at 4 p.m. in its season-opening game with Assumption high school of East St. Louis.

Captain Earl McClanahan has only three returning lettermen from a squad that won eight and lost seven last season, and that trio does not include an experienced pitcher.

"It looks like a long season," he commented while looking over the player roster. "There probably will be a lot of freshmen and sophomores in our starting lineup."

The only positions definitely filled are second base (Dan Hrysko), shortstop (Tony Modrusic) and one outfield berth (Jerry Grankinoff). McClanahan will do some shifting about at the other positions before arriving at a regular lineup for games in the Midwestern conference.

**Trojan Probable Starter**  
Probable starting pitcher against the Pioneers is Dan Trotter, experienced as a valley hurler last season. "He's not fast, but he was fooling our hitters with breaking fast in hitting practice last week," McClanahan said.

He said that there are lots of outfield and pitching candidates in pre-season practices at MHS, but that "there is not too much competition at any position."

The Trojans plan a final workout on their home diamond this afternoon. "The field is still pretty soggy and any hard rain we might get between now and game time tomorrow probably would force us to cancel the game," McClanahan added.

Madison is scheduled at home against Granite City Wednesday at 4 p.m., and then will open conference season the following afternoon in Highland.

Women's division - Claudia Beamer (Granite City Judo Club) defeated Dorothy Douglas (Granite City Judo Club).

## Becerra To Try Amateur Ring Again; Fight Headlines Card Here Friday

When a ring opponent he knocked in the 1958 Golden Gloves tournament at Springfield, Ill., failed to recover, 21-year-old Joey Becerra of Granite City was so affected that he gave up boxing immediately and some felt, for good.

But the 130-pounder, with an impressive string of amateur victories behind him, will step into the ring again Friday night at the American Legion Dugout in Venice for the first time in over three years.

As his handler, Jack Bogosian, puts it, "Joey'll be trying to find out for himself whether he can fight again."

Becerra's three-round go with 1961 Kansas City Golden Gloves 130-pound open champ Gene Simmons will highlight the amateur card at the Dugout, a card which has yet to be completed.

Other local amateurs who are on the card include 118-pound novice Joey Ybarra, who will go against Orlando Burton in a return match; Bill Smith, who won a Golden Gloves championship in the 135-pound novice division last year; and Connie Ybarra, 14-year-old sub-novice who will be entering the ring for the first time Friday.

He fought his first amateur bout in 1955, winning each of the 13 times he entered the ring. Improving steadily, he battled all the way to the finals in his division of the Golden Gloves before being eliminated in 1956.

He impressed Golden Gloves ringriders in Kansas City the next year by knocking out all four opponents to win a novice championship. In the open division at Springfield the following year, he had knocked out his first ring opponent and followed up with a KO victory over his second.

But the boy never got on with the canvas and succumbed several weeks later.

## Athletic Banquet Wednesday At GCHS

Granite City high school varsity letter winners in basketball and wrestling, together with GCHS cheerleaders, will be recognized at an annual winter sports banquet sponsored by the Mercer funeral home.

Harry Gallatin, head coach of the IAC champion Southern Illinois University basketball squad, will be guest speaker following a smorgasbord-style supper beginning at 6 p.m.

Attendance of the GCHS athletes and cheerleaders at the banquet is being sponsored by the Mercer funeral home.

Introduction of the athletes will be made by Andy Sullivan, GCHS basketball coach whose squad advanced to the finals of the ITHSA regional here and compiled a 16-1 record; and Bill "Red" Schmitt, coach of a Warrior wrestling squad which had a 16-1 dual meet record and finished fourth in the state tournament.

Members of the cheerleading group will be introduced by their advisor, Miss Celia Hutton. "Tickets for the smorgasbord and program, priced at \$2 each, are available at the high school office, from Alumni "G" Club members, Cameron VanBuskirk, David Morgan, Ernest "Pat" Rich and John Tarpo, and from GCHS lettermen.

## Schlitz 2-1 Winner Over Loman's In SIBPA Bowling

Granite City Bowland Schlitz picked up a full game on league-leading Alton Falstaff and strengthened its lead over third-place Collinsville Revere Room in Southern Illinois Bowling Proprietors Association Class league kicking Saturday night at O'Brien Sports Bowl.

Schlitz clipped Loman's Bowlers Shop of East St. Louis 2-1, while Rusty's of Wood River was surprising Revere 3-0.

The Falstaff-Pepel-Cola of East Alton match was postponed to allow the teams to participate in tournaments.

Schlitz, with a second-place finish virtually assured after Saturday night's record, leads Revere by 3 1/2 games, but trails Falstaff by six full games, with one three-game set with Ripley Pins to be made up. Ripley fell 2-1 before Carling Back La-bel in the only other Saturday match.

The Schlitz totals: Max La-late 612, Jim Vrenick 599, Ray Hoffman 598, Jim Berry 599, Nick Lombardi 562.  
Schlitz will roll Pepel-Cola on the Bowland lanes next Saturday night.

**Pet Mollard Ducks Are Returned Home**  
Two Mallard ducks, pets of the Mike Tondas family, 1801 Pontoon road, were returned unharmed to their home Friday after they had disappeared last Monday morning.

The pets were found waddling along Pontoon road by Mrs. Lester Beyer, 2552 Lynch avenue, nine blocks from the Tondas home.

Mrs. Beyer was returning home in her car from shopping when she saw the ducks. She approached them and they made no effort to fly away. Taking them to her basement, she observed they apparently were pets. When a news item appeared in the Press-Record last Thursday she telephoned Mrs. Tondas, who feared they had ended up on a deer table.

When the Beyer home, the female duck laid two eggs. Combined with her production at the Tondas home, she had a total of eight to attend to when she got home. The male duck, a pet of the family for more than four years, had never wandered away before Monday. The female duck was obtained eight months ago.

### Warrior Baseball Openers Canceled Due To Wet Grounds

Wet grounds, the bugaboo of  
all early spring high school base-  
ball, forced cancellation of  
Granite City high school's two  
games Saturday in southern Illi-  
nois which were to be the 1961  
season openers.

The Warriors of Coach Joe  
Federa had games set with Car-  
bondale Community and Mur-  
physboro high school squads  
Saturday afternoon, but were  
notified that wet weather had  
prevented the schools from put-  
ting their baseball diamonds in  
playing shape.

GCIS Athletic Director Dick  
Yates said the games will not  
be rescheduled. Granite City is  
scheduled in Madison Wednes-  
day afternoon, weather permit-  
ting.

### Park's Handicap Bowling Tourney Faces Cancellation

Unless approximately 90 addi-  
tional individual entries are re-  
ceived before an April 5 dead-  
line, the Granite City park dis-  
trict's men's singles handicap  
bowling tournament will be can-  
celed, Park District Recreation  
Director Harold Brown said to-  
day.

Brown said at least 100 en-  
tries are needed if the tourna-  
ment is to "break even." Entry  
blankets are available at both  
Bowland Lanes and Big Top  
Bowling, where the tourney is  
scheduled to be run off, but as  
of today not a single entry blank  
has been turned in from either  
establishment, Brown said.

"If the interest is not there,  
then there's no sense in trying  
to put on a tournament of this  
type," he added.

Entry fee for the tournament  
is \$5 a person, and the park dis-  
trict plans to award \$150 in U.  
S. savings bonds as the top  
prize, with \$75, \$50 and \$25  
bond awards to the next three  
finishers.

### 'Limited Number' Of Gift Permits Still Available

"A very limited number" of  
golfing permits for the Granite  
City Engineer Depot's course re-  
mains available to residents of  
the Granite City park district.  
Park Board Secretary Frank Res-  
said at 11 a.m. today.

One hundred of the permits,  
priced at \$60 for one season,  
were made available at Res's  
shop Thursday following the  
completion of an agreement  
between the park district and  
Engineer Depot.

Res today stressed that park  
district residents must apply in  
person for the permits, fill them  
out and return them as speedily  
as possible.

### 2 Traffic Arrests

Two motorists were arrested  
early Saturday at 15th street  
and Madison avenue on charges  
of speeding. They were Thomas  
C. Davis, 19, of 2527 N. Main  
drive, and Richard E. Myers, 20,  
of Rural Route One, who posted  
their drivers' licenses as bond.

### Minor Fire Alarm

Firemen from the main station  
went to the town of Madison,  
Schmidt, 2801 Edwardsville road,  
at 12:10 p.m. today. There was  
an overheard oil stove and no  
loss was reported.

### Crash On Madison Ave.

Autos driven by Herman D. Wilson, 30, of 716 Twenty-ninth place, and Edward Sprajon, 47, of 1415 Iowa street, were involved in an accident in the 1600 block of Madison avenue early Saturday as Sprajon was traveling south and making a left turn into a driveway and Wilson was going north. Wilson was charged with operating a motor vehicle without a driver's license and freed on \$16 cash bail. In the crash, Wilson's auto struck a high-tension power pole after the collision.

### GC Police Graduate First Firearms Class At GC Center

Graduation exercises were held Friday night for members of the Granite City Civil Defense auxiliary police firearms class at the police department's training center on Poplar street.

It was the first such class to be graduated in the county or this section of the state.

The graduates are John Becker, Gilbert Richter, Oliver Corzine, Victor H. Koenig, Bert May, Clyde Myers, Arthur Lewis and Harold Mayfield. Becker and Richter were graduated with marksmanship ratings. Present for the ceremony were Mayor Davis and Police Chief Raymond Willard.

Instructor for the course was George K. Durbin, who holds a Rifle Association marksmanship pistol instructor license. He also is a corporal in the CD auxiliary police unit. He was assisted by Police Capt. Joseph Kestel, rangemaster for the Granite City police training center.

**21-Hour Course**  
Theory and practical classes were held for three hours each week for seven weeks, and a new class is to be registered March 31 with several auxiliary police women expected to enroll.

### Judo Contestant Knocked Unconscious In Match

Ronald Shigero, 15, of Chicago was released from St. Elizabeth's Hospital yesterday after he had been knocked unconscious during a judo encounter at the YMCA Saturday afternoon. He regained consciousness shortly after arriving at the hospital and x-rays were taken of his head and spine. He was admitted for observation.

Donna Clapper, six-year-old daughter of Mr. and Mrs. Roscoe Clapper, 2403 Dewey avenue, received eight stitches on a finger on her right hand after she fell through a window at her home at 8:30 a.m. yesterday.

Allen Lance, four-year-old son of Mr. and Mrs. Emanuel Lance, 4709 Warnock street, suffered a cut on his head when hit with a stick. Four stitches closed the wound.

Thomas Black, four-year-old son of Mr. and Mrs. James Black, 2740 Sunset drive, sustained a sprained finger on his left hand when it was caught in a car door at 6 p.m. yesterday. A splint was applied and he was released.

### 2 Face Fighting Charges

Charges of fighting were placed against James W. Evans, 46, of 3040 Iowa street, and Jack C. Ritchie, 23, of 2203A Grand avenue, who were arrested Saturday afternoon at the Evergreen tavern on Namsok road. They were released on \$16 bonds.

### Judge May Rule Today

(Continued from Page 1)

In lines under party candidate names with the exception of primary election ballots.

He added that he could not find provisions for such lines anywhere in state statutes. Calvo told the court the added lines under the party candidates' names would merely confuse voters and cause spoiled ballots. "It would be far more judicious to print the ballots properly, rather than wait until after the election to see the results," he added.

Judge Schuman said he doubted if the court had jurisdiction over the case, since the statutes leave the ballot arrangement to the discretion of the city clerk. He added that he wanted to study further the write-in provisions of the law. The judge added that he did not recall any write-in lines on county and state ballots.

The judge said he would rule in the case as quickly as possible in order that the ballots could be printed for the April 4 election.

### 5 Divorces Granted Here On Saturday

Five divorces were granted in the court of City Judge Fred P. Schuman Saturday.

Milburn H. Smith, charging desertion, was divorced from Mary V. Smith. Married Jan. 1, 1946, the couple separated Jan. 19, 1960. Custody of three minor children was granted the plaintiff.

Charging adultery, Amber Kelleher was divorced from Russell Kelleher. Married Jan. 21, 1956, the couple separated on Feb. 24, 1961. The plaintiff was granted custody of one minor child.

Thelma Pette, charging desertion, was divorced from Lloyd T. Pette, and was granted custody of one minor child. The couple married Feb. 18, 1960. No child was born.

On the grounds of cruelty, Donald Aldridge was divorced from Della Mae Aldridge. The couple married Feb. 21, 1938, and separated Feb. 18, 1960. No children were listed in the decree.

Charging desertion, Dolores Boelling was granted a divorce from Forest D. Boelling. The plaintiff was granted the custody of three minor children. The couple married Nov. 26, 1949, and separated on Nov. 11, 1959.

### Sign Poster Warned

Granite City police went to Niederhans avenue and Maple street about 1:30 p.m. to advise a man not to post political signs on any property. They advised him to remove signs he already had posted.

### Scout Award To Friedman

Presentation of a Cahokia Mound Boy Scout Council "Cub" award to Jack Friedman, 2445 Edison avenue, for service as council advancement chairman was announced last week at the scout office.

### Charged With Speeding

Edgar J. Pratt, of 3131 Wayne avenue, was arrested at 25th and State streets yesterday afternoon by Granite City police on a charge of speeding. He posted his driver's license as bond.

### Elks Lodge To Elect Officers

An election of officers for 1961-62 will be the main order of business at a meeting of Elks Lodge 1063 to be held Tuesday.

At 6:30 p.m. a free steak dinner will precede the 8 p.m. meeting. Ernest "Pat" Rich is the ex-alter ruler.

### Fined On Two Charges

Curtis E. Hampton, 32, of 1035 Russell street, Venice, was fined \$30 for refusal to obey police and resisting arrest March 19 at a hearing Saturday at the Venice city hall. Later charges of refusing to obey and drunkenness were dismissed.

### Waives Preliminary Hearing

Kenneth W. Burcham, 53, of 2055 Cleveland Blvd., who was charged yesterday with burglary and larceny on a warrant filed by Granite City police, waived a preliminary hearing this morning before Police Magistrate Gasparovic. His bond was set at \$5000.

### Fined, Pays Damages

Arrested for careless driving, property destruction and leaving an accident scene Feb. 22, Paul Jackson, 215 Weaver street, Venice, was fined \$40 and paid \$50 damages at a hearing Saturday before the Venice police magistrate. He is to work out the fine on the street department.

### Faces Police Charge

Elmore Green, 36, of Edwardsville, who was arrested about 4:50 a.m. Saturday in a parked car at 20th street and Edwardsville road, was charged with refusing to obey an officer. He was released on \$16 cash bail.

### Speeding Ticket

An arrest ticket charging him with speeding at 30th street and Madison avenue was issued yesterday evening to Andrew G. Orsey, 53, of 3400 Terrace lane. He posted his driver's license as bond.

### Fluoridation Cited

(Continued from Page 1)

dated areas justified adoption of programs worked for many years before the U. S. Public Health Service and the American Dental Association were willing to recommend the procedure. From 1945 to 1950 these organizations were repeatedly criticized for their conservative attitudes. They steadfastly refused to favor fluoridation until results of controlled studies proved beyond reasonable doubt that the measure was effective and safe.

Among the civic, business and labor interests listed by Dr. Dublin as supporting fluoridation in the AFL-CIO (American Federation of Labor and Congress of Industrial Organizations), which notes that it unanimously adopted a resolution favoring fluoridation at the founding convention of the AFL-CIO.

#### Prevention Better Than Cure

"This support of fluoridation is based on labor's belief that prevention and protection of health is better than the best cure. AFL-CIO believes that prompt action on fluoridation will cut dental bills, prevent needless pain and help assure better health for the American people," the organization's official stand relates.

The AFL-CIO adds that "in recent years a growing number of cities have found that fluoridation of water, while not affecting its taste, is an effective, practical and harmless way of reducing tooth decay. Compared to the costs of repairing decayed and neglected teeth, fluoridation would be cheap at almost any price. Actually, fluoridation is inexpensive. While costs vary from community to community, the average expense would be about 10 cents a year per person."

Also citing favorable recommendations by other groups, Dr. Dublin goes on to say that there are other people who "have shown a regrettable tendency to reject evidence scientists have repeatedly confirmed through careful study, solely because they prefer to disbelieve it."

#### Found In All Water

Dr. Dublin describes fluoridation as adding to water a natural substance that is found in varying degree in all drinking water and many foods.

He explains that "fluoridation enables children to grow strong, er teeth. It is completely safe. It is the most effective and least costly preventive dental health measure available."

"Tooth enamel containing the right amount of fluoride resists decay far better than enamel which is fluoride-deficient. Research has repeatedly confirmed the fact that between one-half and two-thirds of new tooth decay is prevented by nourishment from conception and birth with fluoridated water."

#### Pattern Repeated

"The opposition of fluoridation resembles the colorful resistance to health advances in the past. Late in the 18th century during a smallpox epidemic in the city of Boston, a bomb was thrown into 'Cotton Mather's study chamber because he had inoculated his son and advocated that other children receive the same protection."

"Less than a century ago, a San Francisco mob resisting compulsory vaccination killed a man. In our own lifetimes, public health workers were driven out of towns where they recommended chlorination of water supplies as a protection against typhoid fever."

"In recent years there was a flurry of ignorant opposition to the Salk vaccine on the ground that it originated in a plot, but fortunately this sort of resistance has succeeded in delaying very few children of the degree of protection the vaccine furnishes against infantile paralysis."

#### Nutrition Not New, Radical

"Preventive nutrition is no new or radical notion. The British Navy began requiring sailors to drink lime juice for protection against scurvy in 1795. Today, the irradiation of milk and the addition of vitamins to bakery flour for general health are accepted as normal, sensible health precautions."

"Each new health opportunity encounters problems of one kind or another. Today, many millions of children are being deprived of the advantages water fluoridation could furnish them."

"This deprivation is due in part to the familiar resistance of suspicious people whose counterparts once opposed vaccination and pasteurization. There is also reason to think that this opposition will disappear like a bad dream, once citizens realize that their business to fluoridate their business to learn the facts."

## Benefit Concert Tuesday By CJHS Rhythm Group

A benefit concert to finance the appearance of the Coolidge Junior high school Latin American Rhythm Ensemble at the Music Educators' National Convention in Columbus, Ohio, on April 8 will be presented tomorrow at 8 p.m. in the Granite City high school auditorium.

Participating in the concert will be the 130-piece Coolidge concert band, the concert ensemble, and a larger, experimental rhythm ensemble. All of the musical groups will be directed by Robert D. Todoroff.

The program will be divided into four sections, with the concert band presenting "Prelude and Fugue in D Minor," "Scat Dances," highlights from "The Music Man," "Hopak," "Zelig-nung," and "King-Side March."

The Latin American Rhythm Ensemble will demonstrate the

rhythms which are the basis of the music they produce, and have selected highlights from their symposium appearance at the music educators' conference.

The "Scat Dances" rhythm group, formed by adding several brass instruments to the rhythm band, will perform "Que-Va-cion" and "Ganglione."

The program will close with the concert band's performance of "The Sound of Music," "Vo-doo" and the main theme from "Elo-doo."

Although tickets, priced at 50 cents each, will still be available at the door the evening of the concert, Todoroff said advance sales and the fine support given the group by private citizens and organizations has already insured coverage of the costs of mounting the music educators' conference.

bored a director and vice president of the Cahokia Mound Boy Scout Council and holds his highest award, the Silver Beaver. A member and former elder and trustee of the First Presbyterian Church, he is a member of all Masonic orders.

Karandjeff has been active in advancing the sale of government savings bonds since 1941, when he led first financing efforts for world war II as chairman of the Treasury Department's Madison County War Finance Committee. In 1956, he directed a bond drive in 22 Southern Illinois counties.

He has served as president of the Illinois Bankers Association, headed the IBA education and public relations committee and committee on bank management, has been president of Group Nine of the association and an American Bankers Association council member and committee member.

Karandjeff is a past officer and director of the Madison County Bankers Federation, past chairman of the Alton Presbytery Restoration Fund, former representative of the Presbytery to the General Assembly of the Presbyterian Church and member of the board of governors of the McKinley Student Council Foundation at the University of Illinois.

His Army award noted that he has the longest record of county bond sales in Illinois, with sales exceeding \$135,000; organized a postwar bond drive at the Granite City Engineering Depot, resulting in record sales in 1952, 1953 and 1954, with 74.2% of all personnel enrolled; aided the Depot in developing the first County of Engineers "Power for Peace" exhibit viewed by over 1,000,000 persons at the DuSable State Fair.

36-year Red Cross record, including service as a chapter director and member of the National Council executive board; chairman for inviting distinguished guests to the Salute to the Engineer Depot; inclusion of the Depot command group in all community-wide projects and assistance in USO activities. He was named an honorary member of the Depot this year.

Born in Macedonia, Karandjeff came to the United States in 1906 and attended the University and the Rutgers University Graduate School of Banking. He is a graduate of the American Institute of Banking.

He joined the Trust and Savings Bank as bookkeeper in 1911 and advanced through various offices to the presidency in 1937. He is founder of the American National Bank headed by brother, Harold. There is a third son, Robert, and there are nine grandchildren. His wife, Ethel, passed away several years ago. He resides at 2541 Cleveland Blvd.

**Schmitt Early C of C Head**  
In addition to his service on the current drainage committee, Schmitt is credited with almost single-handedly obtaining a master sewer and drainage engineering study in 1943.

It was during this period that he served two terms as president of the Chamber of Commerce, shortly after its founding. He aided in securing an original map for the head-City area, a Nameoki stormwater drainage system, as well as wartime Granite City relief efforts paid for by the federal government.

Schmitt joined the Illinois Power Co. in 1923 and came to the Granite City office from Louisville three years later. His first position here was an assistant manager for the Quad-City area, and since then he has been designated as district manager, division manager and service manager, as changes in area classification were made. He has held his present position since 1941.

Along with heading the Chamber of Commerce and City Planning Commission, he has served as president of the Salvation Army board, Granite City Rotary club and Community Chest and served as Community Chest drive chairman one year and Community Chest Budget Committee chairman for five years.

He has served on the Com-

#### ARCHITECT'S DRAWING OF the new educational unit at Concordia Lutheran Church, 23rd street and Grand avenue.

Total cost of the project is estimated at \$215,000. Plans call for a two-floor brick educational wing structure (at right) separated from the present church by a 200-ft. courtyard and connected by a hallway at the rear of the property.

The new building and renovation of the church basement will provide 27 classrooms. The existing structure, used for all church activities, will be razed shortly after Easter to make way for the new construction.

The church offices for the pastor, secretary, vicar, and the Sunday school will be at the head of the ground floor corridor of the new 39x55 foot parish school building. The new building will provide three classrooms or a fellowship area for the Waltham League. The hall will include a stage, new kitchen, library, classroom and five single classrooms for 12 and 15 year olds. The hall will be 225 feet long.

Renovation of the church basement will provide eight new classrooms for children high years and under as well as an assembly room for the group. A new heating plant, with a 100,000 Btu. boiler, will be located in the basement.

Incumbent Supervisor Leonard Oram said his office is being run economically. "There wasn't any tax levy for relief purposes last year," he stressed, adding that when he took office in 1949, the township was in debt \$30,000 and running on anticipation warrants.

"We try to keep a balance in the general assistance fund, so we won't have to state aid. Relief in Granite City is not controlled by the state and this township is one of few left in the

son. "It's plain to correct the ratio of tax payments," Barton told the audience.

First of the supervisor candidates to speak was C. Luther Rudder, who stressed he would regularly attend meetings of the county board of supervisors and would make the office of supervisor a fulltime job. "I would see that the office is handled properly and that no one would be deprived of personal dignity, and I would assume full responsibility," he estimated the job would pay \$700 a month if all county meetings were attended.

Another candidate, E. J. Gordon, pledged to cut spending. "There has to be an end to this taxing business, and the supervisor can do something about it."

Incumbent Supervisor Leonard Oram said his office is being run economically. "There wasn't any tax levy for relief purposes last year," he stressed, adding that when he took office in 1949, the township was in debt \$30,000 and running on anticipation warrants.

"We try to keep a balance in the general assistance fund, so we won't have to state aid. Relief in Granite City is not controlled by the state and this township is one of few left in the

state that does not lean on state assistance. "State aid causes a problem, because the state is continually running out of money and has decided to force families off relief. No one tells us who to put on or take off relief."

**4 Years Without Tax Levy**

Oram said that since 1951, there have been four years during which it was not necessary to levy relief taxes. He explained there was a levy in 1959 when a steel strike was anticipated, and the carryover will keep the relief office going for another year.

The supervisor was questioned extensively. He said he does not require a relief applicant to sell his auto before expecting assistance, but does ask him not to drive it. "It just wouldn't be right for a person on relief to drive up to the post office, put money in a parking meter and come in for a relief check. I don't think a man would expect taxpayers to support him while he's driving a car," Oram said.

The supervisor said he bought war surplus desks in 1949 and has spent less than \$1000 on furniture and fixtures for the office since that time.

When asked about his attendance at county board meetings, Oram said he has attended eight or nine out of 12. "I get agendas in advance and can tell if something important is coming up."

He added that he works the day shift at a local plant, but that even if he did spend all his time at the relief office, a qualified one-worshiper would handle applicants.

**Downing's Policy**

Last of the supervisor candidates to speak was Roy V.

Downing, who said he disagreed with the present administration. "It was either complain or do something about it, and I decided to do something by running for the office."

Downing said that if he found it necessary, he would quit his job with a local dairy and spend more time on the supervisor job. He added that the office would be conducted in a courteous manner and he would regularly attend meetings of the county board. "If elected, I'll represent Granite City."

The only city treasurer candidate present was Robert McCormick, who pointed out that the treasurer also serves as township tax collector. He said he had office experience in industry and also had worked with the Granite City township assessor as a deputy as well as with County Treasurer Daniel McGee, who is county tax collector.

McCormick said he plans to modernize the city treasurer-collector's office and utilize the township council room at collection time to provide chairs for taxpayers waiting their turn to pay.

Aldermanic candidates appearing before the Civic League were Simeon Blada, Mrs. Virginia O'Rear, John Moore and William Dallas of the First Ward; Amirk Kachigian of the Fifth Ward; Camer Shubert, incumbent, and Mrs. Lily Chaboude of the Sixth Ward and James Kost of the Seventh Ward.

**Post \$16 Bail**

L. L. Taylor, 21, of 2031 Beckwith avenue, Madison, who was arrested Friday night at Club Boundary, 34th and State streets, on a charge of refusing to obey a Granite City police officer, was released on \$16 bail pending a hearing.

## 25 Years Ago

It has been definitely learned from reliable sources that the American Steel Foundries will start changing a second open hearth furnace on March 31, adding additional employment to about 300 persons.

Opposition candidates have filed in only one of the five school districts in this community for the April 11 election. There will be a contest for every office on the Madison school board.

In Madison, Dr. R. A. Marshall, incumbent will run against Bernard Dron for president. In Granite City, John H. Kien Schmidt is running for reelection as president and in Nameoki district, George W. Stearns, incumbent, is running for president.

M. D. Cook of Granite City, district organizer of labor unions and longtime business agent Local 397 of the International Builders and Iron Carriers here, has been named fourth vice president of the international union.

Mrs. Walter Coolidge was elected president and Mrs. Brigid Daniels general secretary of the Alton Presbytery society at the 59th annual meeting at Litchfield last weekend.

Coach Bob English's wrestling squad of Community high school, co-champions with East St. Louis of the Madison - St. Clair conference, noosed out Normandy 27-25 to win the fifth annual

Normandy high wrestling tournament Friday night. The Warriors also captured three of nine individual titles, which were won by Portell, 105 pounds; Moran, 135 pounds and Holtzschler, in the 165-pound class.

George Harmon was the winner of second place in an oratorical contest held last week at a meeting of the Madison county council of the American Legion and auxiliary at Collinsville.

Lettermen, who have begun practice at Madison high school in track are James Louis, captain, hurdles; Charles Hackett, weights; Russell Skinner, middle distance; Bernard Tweston, sprints, and Kenny Hinson, pole vault.

Judge R. Griffith, candidate for reelection as city judge without opposition, polled 2360 votes. In his race for court clerk, A. N. Homan, incumbent won over Eugene Schroeder, W. C. Harris, unopposed for president of the Nameoki village board of trustees, was reelected.

A three-act comedy "Looking Lovely" will be given by the junior class of Venice high school on April 1. Included in the cast are Doris Groshong, Lena Ferra, Virginia Hoover, Carl Byrnes, Julia Maher, Bertha Scott, Alfred Pace, Velma Kutz, Jim Hunter, George Fisher, Jim Jeffries and Roger Hoover.

The 41st anniversary of the Lodge Frances Ross Camp, Royal Order of the America, was observed Wednesday.

**Forfeits \$10 Bond**  
A cash bond of \$10 posted by Troy May, 25, of Indianapolis, Ind., after he was arrested on an overweight truck charge on Second and Highland streets, Madison, last Tuesday, was forfeited when he failed to appear at a hearing Friday night.

**Marriage License Issued**  
A marriage license has been issued by Deputy Clerk A. L. Stevens to Wilma Popielch, 1847 Collinsville road, and Delmar Compton, 4225 Highway 162.

**Community Chest and United Fund**  
as a YMCA director for the Madison County Community Chest and United Fund, as a director of the Madison County Youth Council and Coordinated Youth Service director, and as director of the Madison County Plan Association and member of the MPA Highway Committee.

**Fiscal, USO, Drive Activities**  
As a member of the Madison County Citizens' Fiscal Advisory Committee, Schmidt helped restore sovereignty to the city of Granite City, enabling city employees to be paid.

Principal founder of the wartime United Services Organization, he made trips to Chicago at his own expense in starting and equipping USO facilities at the YMCA. He served on a special committee that undertook renovation of two abandoned cemeteries near public housing projects and sought to fix responsibility for continued maintenance.

A leader and active worker in many special fund drives, such as the St. Elizabeth Hospital expansion, YMCA remodeling and other campaigns during the past 30 years, Schmidt played a role in the Salute to the Engineer Depot and the All-American Salute to the Engineer Depot. He was an officer and director of the Madison County Citizens' Planning Committee, which secured county approval for establishment of an official Madison County Planning Commission, on which he also serves. This group is aiding in outlining controls to guide industrial, residential and commercial growth.

Serving several terms on the C of B board and on major committees, Schmitt is a member of the industrial public relations committee and the new industrial development committee. He heads the industrial development group of the development committee.

A member of the First Presbyterian Church, he is active in Masonic and Shrine groups and his hobbies include the piano, fishing and photography. He and his wife, Anne, reside at 2408 Cleveland Blvd. They have a son, Robert, a chemical engineer in Beaumont, Tex., and five grandchildren.

**Award Committee**  
The award committee consisted of Morris Wessel Brown, who is vice-chairman, and Mrs. Ruth Huxel, Fr. Michael Costello, Hall Robinson, S. E. Pershall, Robert Gibson, C. E. Townsend, Thomas A. Sullivan and an honorary member, Avery Carls. Last year's Civic Award winners were the United Steelworkers of America and Granite City Steel Co.

### CUB PACK 93 MEETS AT NAMEOKI SCHOOL

Cub Pack 93, sponsored by the Nameoki PTA, met at the school Thursday evening, with Cubmaster David Bourisaw in charge. An opening flag ceremony was given by Mrs. Virginia Jones' Den Two, which sang the theme song of the month, "I've Been Working on the Railroad."

Bourisaw presented awards to Gary St. Ivany, Richard Carr, Dennis Rushing, Mike McGee, Mike Henderson and Tom Ochoa. Den One, led by Mrs. Joyce Hayes, presented a playlet on the theme of the month, "Railroading," and it was entitled "Think I Can."

Games were played, with Gary St. Ivany and Gary Phillips the

winner. The den with the highest percentage of parents attending was Mrs. Mary Graham's Den Three, which gave the closing song.

The committee will meet April 3, and the next pack meeting will be April 21. Refreshments were served by Den Eight, with Mrs. Dolores Bourisaw in charge.

### RAILROADS TOPIC AT CUB PACK 91 MEETING

Cub Pack 91, sponsored by the Nameoki Presbyterian Church, met in the cafeteria of Nameoki school Friday evening with Cubmaster Willis Shepard in charge.

The pledge of allegiance was given by Den Two, with the assistant den mother, Mrs. Vera Pittman, in charge. Shepard gave a report on a trip to the Museum of Transportation in Kirtwood, Mo., sponsored by the pack last week. Due to inclement weather, the tour was not well attended and will be repeated at a later date. The tour was made in keeping with the March cub theme, "Railroading."

Mrs. Louise Anderson's Den One gave a playlet on the month's theme and demonstrated train signals. Shepard presented awards to Donald Durbin, Steven Pittman and Gary Schmidt. He also announced that the annual pinewood derby will be held at the next pack meeting, and cubs should begin working on their cars.

Tickets are being sold by the cubs for the scout fair to be held in Venice May 5 and 6. Refreshments were served by the den mothers, and the next pack meeting will be April 28.

The session was attended by about 70 supervisors who heard a talk on storage by William Jenkins (standing, left), chief of the depot storage division, assisted by Leslie Voyles (standing, right).

The depot has a storage mission, and a number of activities within the Storage Division service the entire depot, it was explained.

These activities consist primarily of the labor and equipment pool, fabrication of boxes and crates and storage and use of lumber.

The monthly meetings are given to provide the supervisors with an opportunity for personal contact with depot staff officers and with each other, and also to acquaint the supervisors with various methods of improvement.

Recognizing the responsibility of my office to the people and business of our community, I believe that I have encouraged and fostered high ethical standards in my office. I did adopt four years ago, the following CODE OF ETHICS for my constant guidance and inspiration predicated upon the basic principle of truth, justice, and fair play.

**CODE OF ETHICS**

1. To show faith in the worthiness of my office by industry, honesty and courtesy, in order to merit a reputation for high quality of service and fair dealing.

2. To add to the knowledge of my office by constant study and to share the lessons of my experience with my fellow members.

3. To build an ever increasing confidence and good will with the public by poise, self-restraint and constructive cooperation.

4. To ascertain and weigh all of the facts relative to real properties in making an appraisal thereof, using the best and the most approved methods of determining the just and fair market value.

5. To conduct myself in the most ethical and competent manner at all times, thus meriting confidence in my knowledge and integrity.

6. To accept my full share of responsibility in constructive public service to our community.

It has been an honor to have served as your Assessor during the past four years. With your confidence and help, I shall continue to do my part in making Granite City a fine place to live.

Sincerely,  
VON DEE CRUSE  
Assessor

## Karandjeff, Schmitt Honored For Long, Substantial Records Of Civic Service

The pages of history record deeds of world leaders, but what of those who devote their lives to unselfish service to their community? Such presentations as the annual Civic Achievement Award serve to recognize outstanding accomplishments at the local level, and the joint awards to be made for 1960 are in the highest tradition of this 12-year program.

Henry D. Karandjeff and Edwin G. Schmitt exemplify the type of sustained and skillful public service that has made the Quad-Cities an active, congenial, thriving community. Their long and substantial records reflect varied efforts ranging through all degrees of duration and difficulty, for they never have hesitated to respond when a need arose.

The leadership of Schmitt in the field of municipal and area-wide planning, and Karandjeff's success in spearheading such programs as the initial development of a major state park are typical. But these activities do not even begin to show the scope of their work in the past year, much less the cumulative performance over a period of many years. Neither award recipient has held a salaried elective office during this time, further emphasizing the extent of their voluntary expenditures of time, talent and, in many cases, out-of-pocket expenses.

Such records can never fully be reviewed or rewarded, but they will stand for all time as an example, a high goal, for all. The full and productive lives they have led should encourage others to be active in civic affairs, for such service itself undoubtedly gives perspective and satisfaction difficult to attain in any other way.

## Federal Court In County Would Be Advantageous For This Area

While a federal court in Alton would not be as convenient for Quad-Citizens as one within this community, it would be a great improvement in distance over the present location, Springfield. From this standpoint, the local area would benefit from passage of a bill just approved by the House Judiciary Committee.

Perhaps the Quad-Cities were not considered due to their proximity to the East St. Louis federal court, which serves an eastern district not including this area.

If approved, the court plan would give added recognition to Madison county and would afford much easier access to federal court chambers for this county's rapidly-growing population.

A happy spirit is the greatest possession that comes to man, regardless of his wealth or lack of it.

## Cooperative Planning Will Enhance Memorial, Golf Course Projects

Planning for Granite City's war memorial and for public use of Engineer Depot golf facilities are examples of ventures enhanced by cooperation among local agencies.

With the city scheduling new sidewalks around Memorial Park and the park district arranging for maintenance of the display fountain to be erected by the Granite City War Memorial Association, the proposed memorial soon will become a reality. Actions of the two governmental bodies will add to the effectiveness and beauty of the project.

Golfing enthusiasts will have a spacious, conveniently-located course at their disposal as a result of an agreement between the Depot and park district for season and daily memberships. The plan will result in fuller use of the Depot recreational area, and should strengthen further the bonds of mutual regard and helpfulness between the military installation and community.

## Worldwide Effort Planned To Limit Narcotics To Science, Medicine

Past efforts to control illegal use of narcotics have been hampered by other nations' more liberal attitudes, and by the power of gangster cartels and enemy conspiracies, including Communism. For this reason, it is encouraging to learn that an intensive worldwide assault on the illicit traffic is being planned.

Diplomats, scientists and experts from 71 countries have been working this year at the United Nations to draft a "Single Convention on Narcotic Drugs" in the hope that it can be up-to-date, effective and universal. Major weapon would be an international control board empowered to hold local investigations and impose a mandatory embargo on a specific country for a specific narcotic.

While the group would work to some extent through established customs, police, health and social agencies, it would spotlight production statistics under cultivation, manufacturing facilities, supplies on hand, exports and imports. The World Health Organization is to give advice on treatment of addicts, the Food and Agriculture Organization is to advise on production of crops and other UN agencies would be on call.

There have been nine previous programs, dating back to the 1912 Hague Opium Agreement, but the continuing need to restore human dignity to millions of victims demands that another attempt be made. The new plan would seem to have a good chance of at least partial success, since it would establish the first uniform system of international control to limit narcotics production, trade, possession and use to scientific and medical needs.

## SIU Foundation Board To Meet Tomorrow

The board of directors of the Southern Illinois University Foundation will meet Tuesday in the university's administrative offices on the Edwardsville Campus.

According to Foundation President, J. Lester Buford of Mt. Vernon, this will mark the first time the directors have held a session in the Southwestern Illinois Campus area.

Foundation Executive Director Kenneth R. Miller explained that the Southern Illinois University Foundation is a non-profit corporation chartered by the state and authorized by the board of trustees of SIU to receive gifts for the benefit of the university, to buy and sell property and otherwise to serve the university.

Scheduled to meet with the directors will be Warren Stoekey, newly-appointed field representative at the university's Southwestern Illinois Campus.

Assigned to the Area Service Division of the University, he is working half-time in the interest of the SIU Foundation, and half-time for the SIU Alumni Association.

In the services at the local church he will be supported by the choir of the church, and Elvin Kendall, choir director, will lead the song services. Plans have been made for special numbers at each service in addition to the music by the choir. The meetings will close April 8.

### CHURCH MEETING AT COMMUNITY HEIGHTS

Supt. E. M. Clark of Springfield, Ill., conducted the annual "Spring Council" at the Community Heights Assembly of God Church Friday evening. Rev. Glen Utley was host pastor.

Rev. D. Shaw, pastor of the Tri-City Park Tabernacle, was re-elected as District Presbyter for a sixth term.

The Tri-City Park Quilting Society met Thursday in the home of Mrs. Stella Kruse, 2007 Thirtieth street. Breakfast was served to Mrs. Mildred Werner, Mrs. Catherine Measki and Mrs. Elizabeth Suchak.

The day was spent quilting. The next hostess will be Mrs. Measki, 2042 Thirtieth street.

Mr. and Mrs. Bill Marshall and children, Stevie and Kim, formerly of Granite City, who have been living in Pontiac, Mich., left last week for Riverside, Calif., where they will make their home. Mrs. Marshall is the former Shirley Howard.

### Brothers On Same Ship

E. F. Dickey, topdeckman's mate third class, USN, and Kenneth W. Dickey, seaman apprentice, USN, both of Mrs. Florence Borger of 4713 Warnock avenue, are serving aboard the destroyer USS Hugh Purvis operating with the Sixth Fleet in the Mediterranean.

### Speeding Charge

A charge of speeding at 21st and Omaha streets was placed against Franklin J. Taylor, 31, of 1008 Rhodes street, Madison, who was arrested Thursday night by Granite City police. He posted his driver's license as bond.

## Planned Repair Shutdown For 2 Union Starch Depits.

A planned maintenance shutdown, involving two departments, will take place at Union Starch & Refining Co. April 2-10. Of the 80 employees to be off work during the week, all but about 10 will be on call.

A spokesman for the company said the maintenance shutdown is necessary to overhaul the flash drier in the feed house and the millhouse and refining departments will be closed. There will be either shutdown for maintenance or run the risk of a breakdown," the company officer said.

All other departments will continue to operate. The plant currently employs about 400 persons.

## VOTE FOR

☒ **SINBAD KASPARIAN**

Independent Candidate

for

**MAYOR**

A tax payer and property

owner. 37 years old.

Capable and qualified; extensive and successful business experience; a graduate of Granite City High School; born and raised in Granite City, Illinois. I am paying all my own expenses.

Your vote is your voice in good government. Your vote and support appreciated. You do not have to be a registered voter to vote in this election.

ELECTION TUESDAY, APRIL 4, 1961

Walk or drive in your own car to the polls and exercise your God-given voting rights. The power of the vote makes government your business. Use your voting privilege. Please do not ride in payola cars and please do not vote the way the payola worker tells you to vote. Use your own intellectual powers.

(1) I will be an action mayor who will vote all proposed legislation harmful to the city and its taxpayers.

(2) I will produce a yearly financial report to show how my money was spent.

(3) I will produce a full and accurate report (account) after every city project or contracted job, to show how my money was spent.

(4) I will be a full time mayor and accessible to every one of you at all times during the day to ensure full time representation.

(5) I will carry out my duties as your mayor and will not confine myself to a 40-hour week, let alone a part-time week.

(6) My job as mayor comes first—not my own business interests.

(7) I am not obligated to any machine or special groups—only to you, the taxpayers.

(8) Don't let Granite City lag. Vote for SINBAD KASPARIAN for an action mayor.

(9) I pledge to do the simple, honest, Christian things.

(10) I pledge to be an affable, fervent, and righteous mayor.

(11) I pledge to aspire nobly and serve humbly.

(12) With faith in good government, I pledge a sincere and full time administration.

(13) For honesty, leadership, action, compassion, integrity, intelligence and efficiency in administering the office of mayor and for a sincere effort to lower taxes if possible.

**VOTE FOR SINBAD KASPARIAN AS YOUR MAYOR**

I will have a minister open and close all meeting with prayer.

Signed,

**SINBAD KASPARIAN**

**PRaises Gc Firemen For Being Conscientious**  
Mr. C. E. Townsend

Dear Mr. Townsend:

I want to take this opportunity to publicly thank the Granite City Fire Department.

The firemen in our house had just been remodeled and the bricks in the floor had not been properly replaced, and on the night of February 19, 1961, the fire went through the bricks on to the rafters in the basement.

The fire was in a very difficult place to get to and the men had to get to it from our living room. They were very courteous and very conscientious about our furnishings and rugs.

I think Granite City is fortunate in having this caliber of men as public servants, and it shows planning and training on the part of all officials. I want to personally thank Captain Murphy and the No. 2 crew who were on duty that evening.

Sincerely yours,

JAY SIMPSON, 2156 Cleveland

**OBJECTS TO FLUORIDE IN CITY WATER**  
Dear Mr. Townsend

In connection with fluoride in our drinking water, I would like to ask the people of our town if they have any ideas what it really is? Any Encyclopedia states that if fluoride is used in drinking water a discolored condition known as mottled teeth will appear, also it is well to remember that it is an active high potency poison. It is used in paint, dye, rat poison and insecticides. If it will kill rats and bugs, if paint and gasoline fumes can kill us, why would the water help kill us if fluoride is used in it? Why instead of poisoning our water don't our city fathers come up with some thing to take the poison fumes out of the air we breathe? It would help stop lung and stomach Cancer more deadly than tooth decay, and a poison would not be used to clear our air of the fumes that kill. I would like some honest answers. Will I get them?

**RECALLS GAMBLING ISSUE IN CITY**  
Mr. C. Townsend, Editor, Granite City Press-Record, Granite City, Illinois.

Dear Sir:

As our coming election is growing near, I thought it would be good to review some of the issues our City has been faced with and hope people will think before marking their ballot.

Move to demote Chief reported. The first report of discontent between the Mayor and the Police Chief arose last March when it was rumored that Mayor Davis had told Chief Burnett he was through after the Chief had issued gambling warrants against local Book Shop Operators, and they were each fined \$100.00.

However, Mayor Davis at the time denied that he intended to fire the Chief.

Then came the Senate Criminal Investigation Committee in St. Louis.

Granite City Police Chief first called to testify. Burnett who was on the stand 35 minutes is reported to have information about attempts of the Capone Gang of Chicago already

standing on the Gilmore porch. An 18-horsepower outboard motor was stolen from the rear of a pickup truck belonging to Percy Gaines, 2230 Benton Street.

According to a report made last night to Granite City police, Gaines said the theft occurred while the truck was parked at 18th and State streets.

**1957 Auto Stolen**  
The 1957 two-door auto of Lewis W. Pugh, 2113 Delmar Avenue, also is reported to have been stolen from in front of his home between 8:15 and 8:45 p.m. Saturday.

Burr told police he had parked in front of his house and while inside changing clothes, the car was taken.

Thief of two hubcaps off his 1960 auto Thursday night when it was parked in front of his home was reported to Granite City police by Gary Burton, 2292 Cleveland Blvd.

Thief of two hubcaps off his 1956 auto while it was parked in the 2000 block of Benton Street was reported Thursday night to Granite City police by Walter C. Johnson, 2254 Cleveland Blvd.

**Political Sign Stolen**  
Emma Courtway, 2809 Buxton Avenue, reported to police Sunday morning that a Davis for mayor political sign had been stolen from the front yard at his home during the night.

**Enters Innocent Plea**  
A plea of innocent was entered Friday by James K. Leila, 47, of the Granite City Engineer Depot, who appeared before Police Magistrate Gas-

parovic on a charge of assault and battery filed by Juanita K. Leila. He was released to military authorities after a hearing April 5.

**Police Reprimand Boys**  
Three groups of boys were sent home after being reprimanded Saturday by Granite City police for tampering with railroad crossing gates on Pom-pom road near the end of the Marshall school and throwing rocks at a church.

In complete control of Gambling in E. St. Louis to muscle in on Granite City. The Chief who is said to have successfully resisted the invasion declined to comment when he left the hearing room, except to say he might be recalled later today. It was also brought out at this hearing that Davis defeated Mayor Charles W. Moerlein, then we find the Chief is no longer with us. But Gambling finally ceased to operate in our City, because we had Three Strong Aldermen. MEYER, how lucky we are that we still have these same Three Aldermen on the board to watch and keep our City clean and from all harm.

Sincerely yours,

LOCAL CITIZEN

**COOLIDGE JR. HIGH PTA APPRECIATES ASSISTANCE**  
Mr. C. Townsend, 1/2 Press-Record, Granite City, Illinois

Dear Mr. Townsend:

We would like to take this opportunity to thank you and your paper for the great reviews of the "Spring Style Show" of Coolidge Junior High. It was a fund raising project of the P.T.A., and your publications helped make it the success it was.

We used a roll of your white paper for the runners for the style show, and it certainly was a "God-send".

Thanks again.

Sincerely,

DOREIS THOMPSON, SHIRLEY BROWN, Co-Chairman

**Four Curfew Arrests**  
Four East St. Louis area youths — 17 to 19 years of age — were arrested about 4:20 a.m. Saturday on a drive-in parking lot, 22nd street and Washington Avenue, by Granite City police who charged them with violation of the city curfew law. They were freed on \$11 cash bonds.

## Motorist In Accident Pleads Innocent

A plea of innocence was entered Saturday morning by Victor Mortenson, 42, of 4120 Melrose Avenue, who was charged with careless driving about 4:25 a.m. He posted his driver's license as bond for a hearing April 8.

Granite City police said Mortenson struck a parked car belonging to Carl Heaton, 75, of 2708 Madison Avenue.

## Rev. Quiglian Is Transferred To Decatur

### Eagles Auxiliary To Honor Nat'l. President

The Eagles Auxiliary of Granite City will entertain the Grand Madron President of the Fraternal Order of Eagles Auxiliaries, Mrs. Adeline Navarra, and also the State President, Mrs. Frances Steinman, a member of the local organization, this evening at the Eagles Home on Madison avenue.

This is the first time in the history of the Granite City Auxiliary that the Grand President paid a visit here, and also the first time that the local group has had a state president. Dinner will be served at 6:30 and the meeting will follow with many visiting dignitaries present from cities in the area and throughout the state.

cream were served to the prize winners and Ann Brankov, Jo Ann Lucas, Debbie Donahue, Lisa Shelton, Terry Bonvicino, Bonnie Giffin, Phyllis Sipes, Patty Wallace and Terry Labovay. The honoree was the recipient of many gifts.

### Approval For Engineer Degrees At SIU Expected

(Special from Springfield)

South Central and Southern Illinois supporters of a bill to grant the State University at Carbondale authority to issue engineering degrees hoped the measure to pass in the House of the General Assembly last Tuesday.

They gave themselves once more this week to give it more weight to send it to the Senate where chances for it are bright although the upper House defeated it two years ago.

The legislation was introduced last Tuesday and its more than 50 sponsors called for an immediate showdown by asking for a suspension of House rules to advance it to House 2nd reading without the usual reference to committee and won by a vote of 107 to 35. The next day it went to passage and Speaker Paul H. Powell (D-Virginia) indicated it will be on the House calendar today or tomorrow for passage.

Rep. Clyde Choate (D-Ana.), chief author of the bill, is optimistic over its chances in the Senate because of an 11 to 0 endorsement of an identical proposal by the Senate Education Committee last week and also because of a "yes" vote by Sen. Everett R. Peters (D-St. Joseph) who played an important role in opposing it in past years. Peters is the chief legislative spokesman for the University of Illinois which is in his Senate District.

Aid for House advancement came from some representatives in house districts where other state-supported universities are located at DeKalb, Macomb, Normal and Charleston, members who may be looking ahead to the day when they will seek expansion of curricula of their schools. If the bill is enacted into law it will add to Southern Illinois authority to grant an-
